SMOOTH KIDNAPER SEEMS TO HAVE MADE COMPLETE GETAWAY

Cal Crim Follows Clew Into Western Kentucky — Many Detectives On the Job.

Lexington Ky., March 27. — Cal Crim, Cincinnati detective, was pursuing the slippery kidnaper of Paul Little, 12, over Kentucky in an automobile today.

The pursuit is leading west in which direction a man answering the description of the boy's abductor has been seen at various points.

If, however, he maintains the cool daring that marked his two-day stay at the Phoenix Hotel of this city, where he was holding the boy prisoner, it was admitted the detectives may have a hard job catching up with him.

While he kept the boy locked in Room 651 he mingled with the crowds in the lobby of the hotel, went about the city leisurely, bought the newspapers and, no doubt, had a good time reading about the "clews" which discovered him in various cities of the country.

It is not impossible he still is in Lexington, hiding until the hue and cry subsides.

Though he had laid plans carefully to get \$25,000 quickly, he abandoned the job empty-handed. No man ever spent a more profitless week in Lexington. Still he managed to keep down expenses, for he left behind an unpaid room bill amounting to about \$10.

He brought along no baggage, so he was able to make his escape unencumbered.

Yet, had he attempted to take the \$25,000 from the waste can on Main street in which he had ordered it placed, it would have profited him not at all, for he probably would have lost his life as well as his money.

There are men about town who admit they were among 16 citizens, who stood in windows opposite the waste can, ready to shoot if the kidnaper came to claim his money.

Mr. M. M. Gary, manager of the American Tobacco Company's Lexington plant, is spending the day in Mayville with friends and on business.

Miss Elizabeth Peed was able to be out this afternoon for the first time after being confined to her home for several weeks with typhoid fever.

A valuable rug was stolen from the door step at the home of Senator E. L. Worthington at the corner of Market and Fourth streets last night.

LOCAL WOMAN NAMED ON IMPORTANT COMMISSION

Mrs. Clement French Named By Governor as Member of Commission to Obtain Option on Historic Hill.

Governor Edwin P. Morrow has just signed the resolution for the appointment of a commission to obtain an option on "Federal Hill" in Nelson county, where Stephen C. Foster wrote "My Old Kentucky Home."

For several years Kentucky historians have been urging that this historic old spot be purchased by the state and preserved. The Kentucky Women's Clubs and the students and lovers of history backed the movement in the 1920 Legislature that a resolution be passed authorizing the state to take an option on this property.

Immediately upon signing the resolution, Governor Morrow appointed the commission which consists of Osso W. Stanley, of Bardonia, Judge Robert W. Bingham, C. Lee Cook and A. T. Hert, of Louisville and Mrs. Clement French of Mayville. This is quite an honor to Mrs. French, who is a personal friend of Governor Morrow's family and who is intensely interested in seeing "Federal Hill" become state property.

DEATH IN LEWIS COUNTY.

Mr. Michael O'Conner, well known Burtonville farmer, died at his home this morning at 6 o'clock after four weeks' illness of bronchial trouble. He is survived by two brothers and two sisters. Funeral will be from St. Patrick's church Monday morning at 9 o'clock and burial will be in the Washington cemetery.

PARENTS TO EXPLAIN.

The parents of a number of boys, taken up a few nights ago by police as delinquents, were before Chief of Police Harry A. Ort this afternoon to explain why they were not keeping their children in school and why they were permitting them to run on the street at night.

FIRE DOES NO DAMAGE.

The fire department was called to the dry cleaning establishment of the New Way Dry Cleaners, located near the L. & N. depot, last night to extinguish a small fire in the boiler room. Practically no damage was done to the plant.

NAILS ARE LUXURY.

The M. C. Russell Company, local wholesale grocers, today received a carload of nails; the first carload of nails they have received since before the war. Nails have been almost a luxury and dealers have been unable to get them.

WOMAN'S CLUB PLANS BIG DRIVE FOR SOLDIERS MEMORIAL

Mason County Woman's Club Announces the Plan of Campaign for Soldiers' Memorial—Church Building Is Wanted.

The week of March 29th to April 4th is the week set apart by the State Citizens Committee of Kentucky, A. T. Hert, of Louisville, Chairman, to solicit funds for the support of the American Legion.

In a statement on the subject, Mr. Hert said: "It is essentially a campaign of citizens in behalf of the Legion, not a campaign of the Legion men themselves. * * * The Legion stands today as a bulwark against radicalism of a revolutionary character, not only in Kentucky, but throughout the world. The Citizens Committee expects every loyal Kentuckian, and every man who is a 100% American, to do his duty in this campaign."

In view of the fact that Mason county has, ever since the war ended, had in contemplation a memorial of some kind for her soldiers, and the local branch, the Leslie H. Arthur Post of the American Legion has decided that they want, and for some time has had, an option on the Central Presbyterian Church building, it has seemed to the Woman's Club that some one should take the initiative at once, as the option will soon expire.

At their meeting on March 20th, a vote was taken and they decided to undertake to start the good work, believing that the hearts of Mayville and Mason county people are in this matter, and that it would gather strength from every source.

The Woman's Club fully realizes it has undertaken a big thing and can do nothing alone. And it feels its inexperience in attempting to handle so serious an undertaking, but we feel it a privilege and a duty and we shall not fail. We ask every man, woman and child in Mason county to assist in this sacred duty.

We have selected an advisory committee and precinct chairman from among the most substantial men of the city and county. Those public spirited citizens, Mr. T. M. Russell and Mr. J. Barbour Russell, have consented to let us have the use of the Opera House for a mass meeting on Easter Sunday afternoon, and that the Boys' Band will play.

The banks have consented to receive and take charge of subscriptions and subscription lists will be found in charge of Mr. Winslow Ball, at the State National, and Mr. Sudduth Calhoun, at the Bank of Mayville. Substantial subscriptions have already been volunteered.

We especially ask the big-hearted men who time after time put over the Red Cross, the Liberty Loan, the War Savings, the Y. M. C. A., etc., to come out once more and help put this over, and we ask the patriotic 100% Americans from all over the county to go into those banks and put their names down for all they can afford without waiting to be called on, and thus save time of other busy men.

We ask the consecrated preachers and teachers who have so faithfully promulgated and promoted every good work, to help to promote this.

We ask the untiring women war workers and the war mothers, who heard that call, and with brave faces, but a cry in the heart, rose calmly to such heroic heights, to help make this a thank offering for the living, as well as a memorial to the dead.

And we ask that Youth and Beauty, who so freely gave their services during the war for Youth and Valor, once more give their services for this.

Our purpose is, as soon as the first ten thousand is subscribed to turn it over immediately to the Trustees of the Central Presbyterian Church and secure the building for our boys, so that plans may be immediately begun for remodeling it.

Arrangements have been made with the State Citizens Committee that all funds collected here should be used in this county, inasmuch as we have undertaken our memorial building.

SPECIAL PROGRAM FOR YOUNG PEOPLE.

There will be a very attractive program at the B. Y. P. U. service at the First Baptist Church Sunday evening at 6 o'clock. Group No. 4 will be in charge and besides several talks on the missionary subject, there will be special music by the members of the group.

MASS MEETING ON ROADS POSTPONED

Commissioners Postpone Mass Meeting On Road Conditions Until Something Definite Can Be Learned.

County Judge H. P. Purnell announced this morning that the mass meeting of Mason county citizens called for the April County Court day, when it was proposed that the Mason county road situation be discussed thoroughly and the opinion of the citizens and taxpayers of the county be obtained as to what should be done, had been postponed until a later date.

The purpose of this postponement, Judge Purnell says, is because the state road department is at present in such a condition that no definite plan of work in this county can be procured from them and this is necessary before the county makes any plans.

Nothing will be heard from the state road department in regard to the three Mason county roads which will be taken over by the state until the Governor has appointed the board of State Road Commissioners, and when they are appointed the county will know just what the state expects to do and just what it will be necessary for the county to do. This mass meeting will be called just as soon as the County Commissioners have anything definite from the state.

BERRY STATION BANK ROBBED LAST NIGHT

Local Police Asked To Be On Guard for "Yeggs" Who Got Away With At Least \$15,000.

Chief of Police Harry A. Ort was asked over telephone this morning to be on guard for yeggs who last night blew the vault of the Union Bank of Berry at Berry, Ky., a small station on the L. & N. near Cynthiana, Harrison county. The safe was blown early this morning and the yeggs escaped with the contents of safety deposit boxes.

Bank officials do not know the amount of loss, but it is believed bonds and War Savings Stamps valued at about \$15,000 were stolen.

No one in Berry knew of the robbery until Saturday when bank officials opened the doors.

Nitroglycerine had been used, and the bank interior was damaged badly. The big vault door had been blown off, but the robbers failed to get into the safe which contained the cash.

The Union Bank of Berry has \$35,000 capital with \$35,000 surplus and deposits of a half million dollars. This is the eighth small town bank burglary in Kentucky during the last two months. In each instance the yeggs rifled safety deposit boxes.

WATER DISTRIBUTING MAIN BURSTS.

The large water distributing main entering the East End of the city burst late Friday evening at Limestone bridge and cut off the entire East End of the city from its water supply. The loss of water into Limestone Creek was enormous and this morning it became necessary to cut the entire city supply off while repairs were being made to the big main.

SEASON'S AVERAGE ON MAYSVILLE MARKET IS NOT PLEASING

Last Sale of the Local Looseleaf Market Held Friday—Average for the 1919-20 Season Announced as \$23.93.

The Mayville looseleaf tobacco market for the 1919-20 season came to a close with the sales held Friday. There was very little tobacco on the floors of the local houses for the last sale and by 3 o'clock in the afternoon all warehouses had completed their sales and were at work on their season figures.

This season has been very unsatisfactory to the warehousemen, as it has been very dry all during the year. The growers have not been pleased because of the prices, although the market opened stronger than last year but in a short time prices began to drop until they reached a level far below the figures of last year. This is due, unquestionably, to the very poor quality of tobacco grown in this district last year. At the opening of the market, local warehousemen predicted that prices at the close would show a decided increase from last year's figures because of the general quality of the weed.

Supervisor Mitchell reports that during the last week of the market a total of 603,260 pounds was sold at an average of \$15.15. Some had expected a weekly sale for the last week of near a million pounds and were disappointed at the quantity of the weed delivered.

During the entire season, Supervisor Mitchell reports, the sales have amounted to 21,035,435 pounds which brought a general average of \$23.93 per hundred as against a general average of \$32 for last year and a general average of \$24.40 for the 1917-18 season.

In the number of pounds sold for the season, the local market fell far short this year, falling even below the sales of the 1916-17 market. A comparison of the pounds sold and season averages for every season since the opening of the Mayville looseleaf market follows:

Season	Pounds sold	Average
1910-11	15,793,655	7.69
1911-12	18,735,685	9.26
1912-13	23,237,195	12.81
1913-14	16,713,235	10.19
1914-15	25,531,670	8.21
1915-16	17,412,200	11.20
1916-17	24,017,315	17.22
1917-18	19,389,145	24.40
1918-19	30,028,470	32.00

SPRING FESTIVAL HERE BEGINNING APRIL 5th

K. G. Barkoot's Men Here Making Ready For Big Spring Festival First of April.

Spring is here for a carnival is coming to Mayville. The Knights of the white tops have slept long enough, for when the blue bird sings then they must go, and the many show folks who are connected with the K. G. Barkoot Shows have heard the blue birds.

The Barkoot Show is no stranger to Mayville having visited here for one week last year, so it needs no recommendation as to its merits, being far superior to any amusement company of a like character traveling today, coming on a special train of 25 cars, 15 brand new up-to-the-minute moral shows; 4 big new and novel rides; 2 brass bands to furnish a plenty of music and there will be fun and frolic aplenty for all.

Prince Nelson, King of all high wire artists, in an exhibition of daring skill never before witnessed in America, an act created in Europe during his 6 years tour of the world, a wonderful little artist doing a wonderful performance twice daily on the show grounds, the old baseball park in East End.

FRIDMAN BANKRUPTCY CASE IS SETTLED.

The Cincinnati Enquirer says: "Reference Greve yesterday filed in United States District Court his final records closing the cases of the Rapp Coal Mining Company, Cincinnati, bankrupt coal dealers, and Calvin D. Fridman, New Richmond, bankrupt lumber dealer. The company's liabilities totaled \$25,379.42 and the assets realized amounted to \$1,060.91. Unsecured creditors received 2 1/2 per cent, or \$559.22 on claims aggregating \$24,876. Fridman's liabilities were \$21,331.11, and assets realized, \$7,493.79. General creditors receive 5 6-10 per cent, or \$757.39 on claims aggregating \$13,523.57.

ATTEND MEETING OF WOMEN'S CLUBS.

Mrs. Stanley F. Reed, chairman of the Ninth District Kentucky Federation of Women's Clubs and Miss Alice Lloyd, chairman of the state Hygiene Committee, went to Cynthiana today to attend a meeting of the district organization being held there.

In this district and when that tobacco was on the breaks, it demanded good prices and the average jumped but there was so much of the poorer grades throughout the season that the season's average is the lowest since 1916-17 when the average was \$17.22.

THIEVES BREAK INTO TAILOR SHOP AND STEAL CLOTHES

Tailor Shop of 'Squire Fred Dressel Broken Into Friday Night and Three Pieces of Clothing Stolen—Police Have Clews.

When Mr. George Dressel opened the tailor shop owned by his father, 'Squire Fred Dressel in Market street this morning, he found clothing scattered all over the floor and noticed immediately that the rear window in the shop had been broken open. Investigating further, he found that the rear door was unlocked and that clothing was scattered over the back yard.

A hasty inventory of the clothing left in the shop disclosed that two coats and a vest was all that was missing from the shop. Several pieces of clothing had been found in near-by yards and an overcoat was found hanging on the back fence. These articles were evidently dropped by the thief in his escape.

A coat and vest left in the shop for repairs and a new coat sent there by one of our local clothing dealers for alteration was all that was stolen. The thief or thieves overlooked several new suits of clothing awaiting alterations by the tailor.

Chief of Police Harry A. Ort has made a thorough investigation and thinks he has a good clew which will be followed out carefully.

CHILDREN GIVE VERY INTERESTING PROGRAM.

There was a large crowd of patrons and friends at the Forest Avenue School building Friday evening to witness the entertainment given by the pupils of that school for the benefit of the Parent-Teachers' Association. Each of the five rooms in the building had a part in the program and some of the classes in giving the visitors examples of their school room work greatly surprised them. The Parent-Teachers' Association netted a good sum from the entertainment.

BEAUTY OF OLD ENGLISH COUNTRY ESTATES SHOWN

The beauty of some of the old English estates, that have been under cultivation for centuries, is shown in the First National feature, "Mind the Paint Girl" with Anita Stewart, which is appearing at the Gem and Washington theaters on Friday.

Vast ground with their beautiful flowers of all kinds, their gigantic trees, the great spread of lawns and the playing fountains add greatly to the attractiveness of the picture. One scene in particular, that of the home of Captain Nicholas Jeyes, the part taken by Conway Tearle, is of particular interest.

"THE LOVE BURGLAR" JACK LAIT'S PLAY FILMED.

Wallace Reid is next to appear in a Paramount picture adapted from a stage play. The play "One of Us," was written by Jack Lait, the well-known dramatist, and had its premiere at the Morisco Theater in Los Angeles, some months ago. The screen version is "The Love Burglar," and it will be shown at the Gem theater next Tuesday.

In the stage production, the chief role was played by a feminine star, but for the purposes of the screen, the leading male role was made the most important. It appeared to the producers also that the male lead was by far the most important of the two parts. The picture with this change is said to be one of the best vehicles which has been furnished Mr. Reid in some time.

The story deals with the adventures of a young society idler, who, finding his younger and erring brother in a tough slum saloon, strips him of all his valuables and sends him home. This act is interpreted by the rough element as a hold hold-up, they not knowing that a relationship exists between the two men, and they welcome him into their gang, thinking that he is "The Colt Kid," an ex-convict whom they have been expecting.

How he shaves a beautiful girl from the clutches of a gang leader who is forcing her to rob the wealthy frequenters of the place, and finally marries her.

NEXT WEEK AT THE PASTIME THEATER.

Monday—Mm. Duncan and "Shoe-string" Ryan in "Smashing Barriers." Helen Gibson in "The Border Watch Dog," and Heart's News.
Tuesday—Wm. Fox present Peggy Hyland in "Black Shadows."
Wednesday—Frank Keenan in "The World Aflame."
Thursday—Frank Mayo in "Lasco."
Friday—Pearl White in "The Black Secret." Snub Pollard and "Rastus" in a funny comedy and Pathe News.
Saturday—"Blind Chance," western drama. Charlie-of-the-Orient in "Charlie Gets a Jog," and New Screen Magazine.

SHORT SYNOPSIS "THE LIFE MASK."

Beautiful Anita Courtland, though engaged to Captain Hugh Shannon, marries Woodruffe Clay, a wealthy wastrel, to save the family name from disgrace due to her spendthrift step-mother having forged a check. During a violent quarrel, Clay slips, strikes his head and is bedridden for months. Anita's troubles make a somnambulist of her. Whilst watching at her husband's bedside she dreams she poisons him and awakens to find him dead. She believes herself guilty of his murder, but the coroner's jury declares his death natural.

Later in Spain with her faithful old nurse she is sought by the Spanish police who want to send her back to America to stand trial for murder. Newspapers state the case is to be tried. Her lover, Hugh, happens to be in Spain on sick leave and meets her just in time to renew his suit and aid and comfort her in her emergency. When the police come to take her they find her nurse dead with a sealed letter in her hand which exonerates Anita and explains the mystery of Clay's death. The lovers realize their dream of a honeymoon in Spain. At the Gem and Washington Wednesday.

ALL MEN ARE SERVANTS.

Tongues of alien hatred spitting venom at the foundation-stone of American Liberty—a flame of jealousy and disruption and malice seeking to devour and engulf American labor in its horrid and capacious blaze.

This is a brief description of "The World Aflame" Frank Keenan's latest contribution to the silver screen, an intensely interesting drama which comes to the Pastime Theater on Wednesday.

In a scenario written by Jack Cunningham from a story by F. X. James (the nom-de-plume of Mr. Keenan himself) the motive of "The World Aflame" has to do with the problems of employer and employee, while, in no sense preaching, it spreads the doctrine of "Good Service." The author takes the stand that all men are servants, whether statesmen at the head of the government, or the menial removing the refuse of city streets—all are on the one plane when actuated by the mutual aim of good service conscientiously rendered.

"BLACK SHADOWS," FOX PHOTOPLAY, IS COMING.

"Black Shadows," the new William Fox photoplay in which the pretty, piquant Peggy Hyland stars, will open an engagement at the Pastime Theater on Tuesday evening.

This play is said to have a very original theme and one in which the star succeeds in capturing her audience from the very start. While it possesses a delightful vein of comedy, the serious parts make it necessary for Miss Hyland to rise to heights of melodramatic work as well.

The cast includes Corraan Kirkham, Estella Evans, Cora Drew, Albert Roscoe, Henry J. Hebert and Edwin Booth Tilton.

Manager Connie Mack is personally tutoring Hyatt and Walker, two young catchers with the Athletics. The veteran pilot having been a star backstop in his playing days, he should be able to show the youngsters a few tricks in the art of catching.

The Cincinnati Reds appear to be in good shape and should be able to show true championship form when the season starts.

COFFEE! BELLE OF MAYSVILLE

It is like the dew of Hebron; it has the sweetness of Nectar, the sparkle of champagne, the aroma of a thousand flowers. For a cup of it Nero would have burned a thousand Romes, Caesar remitted the taxes of all the Jews and Napoleon turned peacemaker. The only difference in this wonderful Coffee and the goods we sold years ago, it hasn't the kick. Prices are right. A trial order will convince and will be appreciated.

MINERVA MAKING EFFORT FOR NEW SCHOOL HOUSE

One of the Best Schools in the County Housed In One of the Poorest Buildings.

On Saturday evening at 7 o'clock there will be a mass meeting of the citizens of the Minerva neighborhood held at the school house for the purpose of taking some steps toward the erection of a new school building.
County Agent George Kirk, this afternoon, in speaking of the school needs at Minerva, said that Minerva now has one of the best schools in all the county and in all of this section of the state, for that matter, but that it was housed in one of the poorest buildings in the county. The people of the Minerva neighborhood are the kind of people who believe in doing things right, Mr. Kirk said, and he feels certain that Saturday's meetings will put on foot a movement that will result in one of the best school buildings in Mason county being located in Minerva.
Prof. John Hurst Adams, principal of the Minerva High School, is recognized as one of the leading young educators in Kentucky and there is no doubt in the minds of the people who know the people of that section of the county, that the new Minerva High School building will soon be under construction.

GIRL BABY BORN WITH TWO TEETH.

Denver. — A baby with two well developed teeth was born at the county hospital here. Mrs. C. Coffman, 1043 Larimer-street, is the mother.
Thomas M. Hunter, superintendent of the hospital, declares that though this is not the first baby born with teeth developed, such births are rare, and local doctors are displaying great interest in the case.
Mrs. Coffman's baby is a girl and the two teeth are in the front of the lower jaw. The baby weighs 8½ pounds and appears normal.

CONVING TESTIMONY

Given By Many Maysville People.

Experiences told by Maysville people—
Those who have had weak kidneys—
Who used Doan's Kidney Pills—
Who found the remedy effective—
Such statements prove merit.
You might doubt an utter stranger. You must believe Maysville people. Here's Maysville proof. Verify it. Read. Investigate. Be convinced.
You'll find why Maysville folks believe in Doan's.
A Sorries, Isosck & gunsmith, W. Second and Wall Sts., Maysville, says: "The action of my kidneys was irregular and the kidney secretion contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."
A LASTING EFFECT
Nearly five years later, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today as when I gave my former endorsement. I haven't had any trouble with my kidneys since and I believe the cure they gave me is permanent."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Sir James Alfred Ewing, who celebrates his 65th birthday today, is principal of Edinburgh University and one of Britain's foremost authorities on matters connected with natural science and engineering. Born in Dundee and educated at Edinburgh University, he engaged in engineering work until 1878, when he was appointed professor of mechanical engineering at the Imperial University of Tokio. He held this position until 1883, when he returned to his native land as professor of engineering at the University College of Dundee. Seven years later he went to Cambridge as professor of mechanism and applied mechanics, and in 1903 was appointed director of naval education, a position which he held until his appointment to the principalship of Edinburgh University in 1916. Sir James is the author of several important books connected with mechanical engineering and other branches of science.

NOUGHT BY COURTBride Was Under Legal Age and Had
Repudiated Her Marriage Be-
fore Court.

A divorce decree granted by Judge
Will P. Stephenson in the common
pleas court at West Union Saturday
dissolved and held for naught the mar-
riage contract of Byrd Grooms and
Rosetta Grooms on the grounds that
the latter was under the legal age and
therefore incapable of entering into
a contract of this nature.

The marriage was repudiated by
Mrs. Grooms when she filed suit for
separation against her husband on
January 24, last.

In her petition the plaintiff whose
maiden name was Pence, stated that
they were married August 5, 1919, and
alleged that at that time the plaintiff
was under the age of 16 years, and for
that reason could not legally contract
marriage, and that plaintiff has re-
pudiated said marriage and refused to

LISTLESS?
WATCH OUT!That Dull and "Always Tired" Feeling
Usually Precedes Sickness
—Invites It

"Run Down" Means Weak Blood

Be vigorous, Happy, Alive! Take Pep-
to-Mangan, Famous Blood
Builder.Remember how dull, tired-out, and
depressed you felt before that last
serious illness you had?

Any doctor will tell you there's al-
ways danger when you get run down.
That's the time when disease germs
get their chance. You admit you're not
feeling just right, but forget it's prob-
ably because your blood is weak and
watery. That kind of blood can't keep
up the fight against ever-turking
germs. First thing you know, you're
ill—seriously.

It's much more sensible—and safer
—to keep feeling fine, to start taking
a good tonic at once when you're let-
ting down and depressed.

Pep-to-Mangan has been known for
years among physicians as "the red
blood builder," a standard remedy
that agrees with the most sensitive
stomach, and is convenient to take.
Comes in either liquid or tablet form,
equally effective.

For rich, vigorous blood—the kind
that side-steps sickness and keeps you
active and alert in every fiber—start
taking Pep-to-Mangan today.

At any druggist's. But be sure you
get the genuine Pep-to-Mangan—
"Gude's." That name should be on the
package. Ask for "Gude's" Pep-to-
Mangan.—Advertisement.

Buy in Mayville. It pays.

at this time.

JUDGE KERR SHOULD BE
HEARD BY LARGE CROWDNative Masonian, Prominent Jurist,
Will Speak on Republicanism at
Court House Tuesday Eve.

The Mason county court house
should be filled Tuesday evening to
hear Hon. Charles Kerr, of Lexing-
ton, Judge of the Fayette Circuit
Court, deliver a lecture on "The Re-
publican Party—Its History and Prin-
ciples."

Judge Kerr is a native of Mason
county and is now regarded as one of
the most prominent jurists in the state
of Kentucky. He stands as a leader of
his party in this state and was chair-
man of the State Republican Platform
Convention which adopted the plat-
form upon which Governor Edwin P.
Morrow and his colleagues were elec-
ted to office. Judge Kerr is being urged
by prominent Republicans in all sec-
tions of the state to make the race for
the Republican nomination for United
States Senator and there are few men
in Kentucky who are more able to
make an address on the subject assign-
ed him for Tuesday evening.

Because of his being an "old Mason
county boy" and because of his ability
and standing in the state, it is ex-
pected that he will be greeted by the
largest audience that has yet heard a
lecture in the Mayville Community
Club's series. The lecture is free and
many are expected from the county.

HEEL PRINT IS CLEW.

Steuensville, Ohio, March 27.—The
imprint of a man's heel on the temple
of 11-year-old Frances South, of
Adena, Ohio, who was attacked and
murdered Thursday, has furnished a
clue which may result in capture of
the slayer. The girl was kicked to
death, and the heel mark is of a pecu-
liar shape, Coroner T. R. Kirk an-
nounced this morning.

A handkerchief which was bound
over the victim's face bears initials
which correspond with those of one of
two foreigners who were arrested last
night.

PRESBYTERIANS TEACH
PASTORS TO ADVERTISESpecial Manual Is Published to Help
Pastors to Advertise Their
Church Services.

How a pastor may write good copy
for church advertisements is explained
in a new manual just issued by the
Department of Publicity of the New
Era Movement of the Presbyterian
Church in the U. S. A. Fourteen cuts
of good and bad advertisements show
how this may be done. The Presbyter-
ians are the first to issue such a man-
ual.

One specimen of advertisement
headed, "Should a Church Advertise?"
has with it a sample of layout. It is
stressed that every advertisement
written by the pastor should be accom-
panied by the layout for the printer, to
help him in setting up the ad.

The Presbyterian Church in the U.
S. A. is leading in securing local pas-
tors to take paid space in the news-
papers. This Publicity Manual is the
first of its kind ever put out by any
church or any kind of organization.
Advertising is recognized as in the
forefront of public opinion and the
church is now making extensive use of
this.

With the starting, by the Presbyter-
ian Church of a publicity branch of-
fice in Chicago, with the aim of urging
local pastors to use paid newspaper
advertising, there has been an in-
creased demand from the Presbyterian
Church at large and from other de-
nominations for more information on
this subject.

The present manual is an endeavor
to give this information. It is pre-
pared by J. B. Wootan, Director of Pub-
licity of the Presbyterian Church in
the U. S. A. and Herbert H. Smith,
head of the Chicago office.

NIGHT RIDERS IN

BLACK BELT.

Mayfield, Ky., March 27. — Between
200 and 300 tobacco growers from the
northern section of Graves county vis-
ited the Mayfield tobacco shute at 1
o'clock this morning and applied the
torch.

This is the first outbreak of night
rider troubles in Western Kentucky
in 13 years, and is the result of the
fight of the tobacco growers of this
section of the state against the drop-
ping prices of tobacco. Growers re-
cently organized and hundreds agreed
not to sell their crops on any ware-
house floor. Recently 20 McCracken

county growers, at the point of shot-
guns, forced several growers coming
to Paducah with their tobacco to turn
back.
